

DUMPSTER USAGE AND BULK PICKUP

- There is a dumpster located on the corner of building 411 and another parallel to building 13907 and 13908 along 139th street. Please ensure items placed in the dumpster are no larger than a trash bag.
- The dumpsters are only for trash and small items.
- Update Signage.
 - “No Dumping” and “No trespassing” signs on 139th street to provide us more leverage.
 - Signage on Dumpsters.
- Please be mindful that TIBURON spends limited funds for bulk pickup that is left outside of dumpsters by owners, renters, and/or neighborhood residents. If you see dumping by anyone, please inform them of the process for requesting and paying for bulk pickup.
- If you are doing or having construction done on your unit, make sure you have debris hauled away as part of the work.
- If you have boxes, please break them down before placing in the dumpsters.
- Do not leave trash bags next to the dumpster. The trash company will not pick up items that are left next to the trash dumpster.
- Water Heater nor furniture do not go in the dumpster. When this does occur, the City will not dump the dumpster, causing more issues.
- An area at the 411 building dumpster has been designated for owners to place bulk pickup items.
 - This takes it off of the main road and a smaller area.
 - Camera is installed at the 411 area to view the dumpster.
- Keep in mind that while during the summer (May to Oct 1) trash pickup occurs daily, except Tuesday and Thursday, off season only picks up on Monday, Wednesday and Friday. The issue with excess trash does occur around holiday (4th of July, Labor Day, Christmas or New Year’s) regardless of time of year.
